

Since Tango opened in the 1980's, this has been the place for real hard skiing and serious partying. After more than 30 years we've seen it all – monoskis and mullets; pastels and power ballads; daffys and hotshot drinks; vinyl and walkmans. And on this spot, thousands of great guests have enjoyed thousands of great meals. You're up next and more than welcome to join the legends of Tango.

TANGO

Alpine Kitchen
