

Explore the tropical

Set off on a full-day 4x4 adventure through lush rainforest, agricultural landscapes, rivers and beautiful waterfalls.

Travel along winding tracks in a 4x4 Defender with a local guide and discover some of Guadeloupe's most impressive tropical scenery. As we climb higher into the landscape, magnificent views open up across the island, including a panorama of the Grand Cul-de-Sac Marin.

Along the way, there will be plenty of opportunities to take photos, experience the island's natural beauty and cool off with a swim in crystal-clear rivers and waterfalls. Lunch is included, so all you need to do is get ready for a day filled with nature, adventure and unforgettable views.
